Ready to turbocharge your performance and potential?

Join Tom Emery, people performance consultant, author, and HR expert, for a **transformational one-day coaching experience** designed exclusively for senior HR leaders. This isn't just another leadership course, it's an intensive, high-impact experience that will shift your thinking and transform your leadership, influence, and effectiveness.

What the experience includes

- Go deep into where you are right now
- Define your purpose, mindset, and objectives
- Set your aspirations and break down barriers to progress
- Identify the behaviours you need to change
- Create a clear, actionable plan to drive impact

Why this day will change everything

- Work through the tried & tested CHRO Impact Framework® (as featured in Tom's Amazon Bestseller 'People People: Reach Your Full Potential as a CHRO')
- Gain unique insights into your relationships and leadership style
- Experience robust challenge, honest reflection, and real growth
- A follow-up action plan and ongoing support
